Michael has been a ham since his junior year in high school, originally licensed in 1981. Later earning general and extra class licenses. he has worked with Mesac (in costa mesa) and red cross. now he focuses most of

his time on the papa system. michael has worked primarily in vhf and uhf (both analog and digital voice), and has experience with hf and many of the digital modes used on hf.
Michael's professional background includes software development, tech support, quality control, project management, and some retail sales. more recently michael has been working with the mmdvm project to further their work.
Michael has become interested in projects like m17 and meshtastic. you will frequently hear michael on the papa system using analog, dmr, or p25.

This presentation will be in person at the Carlsbad Senior Center 799 Pine Ave #100 Carlsbad CA 92008. You may also attend by Zoom on the PARC link: https://zoom.us/j/98736897490 / Meeting ID: 987 3689 7490/ Passcode: 001960. The doors open at 7:00PM; the presentation starts at 7:30. Coffee and donuts will be served.

Your club is looking for Volunteers: As part of the PARC Modernization project, we are looking for a small group of hams who are willing to test our remote HF station on Palomar Mountain. The volunteers must have either a general, advanced, or extra class license, with preference for those who have experience with Flex Radio (the remote HF radio is a Flex 6400). Those interested can E-mail me with their name, phone number, and callsign so that we can coordinate a virtual meeting on the project.

Please send you E-mail request to: hfbeta@palomararc.org
